

WONDER FOOLS

Are you interested in local history?

Would you like to be involved in an exciting heritage theatre project celebrating people from your local area?

Wonder Fools needs you!

We will be bringing our theatre production **549: Scots of the Spanish Civil War** to **Lyth Arts Centre 29 & 30 May**. Alongside the show we will be touring an exciting interactive exhibition which will tell the stories of people from the local area that were involved in the Spanish Civil War. The installation will involve augmented reality and sound design and will change in each venue to reflect and celebrate the local area.

We are looking for volunteers to take audiences through the installation. We will provide training so technical knowledge is not essential. You just need enthusiasm for connecting with people and helping them to engage with local heritage.
